

Missouri HSE Residency and Minimum Age Eligibility Requirements

Updated 9/21/2020

To take the High School Equivalency in the state of Missouri, you must meet the following eligibility requirements:

Residency: You must be a resident of Missouri to take the HiSET exam.

Age: You must be at least 16 years of age and out of high school to take the HiSET exam. If you are 16 years of age, you must also have completed at least 16 units toward high school graduation. For more information on documentation required, exceptions to this policy and homeschooler information, review Supporting Documentation below.

Test Preparation or Instruction: Missouri does not have any test preparation or instruction requirements to take the initial test. However, they do encourage instruction before retesting.

Practice Test: Missouri does not require you to take a practice test to qualify for the HiSET exam.

Identification: You must present identification on test day at the HiSET test center. A valid permanent or temporary Missouri license (Driver, Nondriver, Intermediate, Commercial or Instruction (learners) permit), U.S. passport, or U.S. military ID. Outdated or expired identification will not be accepted.
